IMSE 015A Assembly

This is a reminder that we have an **assembly tomorrow, Thursday, April 1st.**

The assembly will take place on Zoom from **7:00-8:00 P.M.** The Zoom link to access the assembly is posted here: <https://ksu.zoom.us/j/93078278052>.

J.E. Dunn will be the featured company at this assembly. As usual, attendance is mandatory. There will be a short quiz on Canvas at the end for attendance.

If you have any questions, feel free to reach out to njnolkemper@ksu.edu . Have a great week!

Thanks,

Nick Nolkemper

IMSE Scholarships/Awards!

Information is available about scholarships that are available to IMSE undergraduate and Master's students for the next academic year. Please email dfrakes@ksu.edu to review the Criteria Summary file for an overview of the eligibility and decision criteria for each award. Only K-State IMSE students are eligible for these scholarships/awards. Priority for each award is given to those who will be at K-State both semesters during the next academic year.

Detailed information about how you can apply for these awards is provided in the IMSE Scholarship Award Application Information 2021.2022 document attached to this email. **Please follow those directions and submit your application(s) by April 26, 2021.**

You may apply for more than one scholarship/award. Please send a separate application document (with required information and proper file name as defined in application information document) for each scholarship/award for which you apply.

Questions? Feel free to contact me.

Regards,

Brad
