IMSE Scholarships/Awards!

Email dfrakes@ksu.edu for information about scholarships that are available to IMSE undergraduate and Master's students for the next academic year. Please review the attached Criteria Summary file for an overview of the eligibility and decision criteria for each award. Only K-State IMSE students are eligible for these scholarships/awards. Priority for each award is given to those who will be at K-State both semesters during the next academic year.

Detailed information about how you can apply for these awards is provided in the IMSE Scholarship Award Application Information 2021.2022 document attached to this email. **Please follow those directions and submit your application(s) by April 26, 2021.**

You may apply for more than one scholarship/award. Please send a separate application document (with required information and proper file name as defined in application information document) for each scholarship/award for which you apply.

Questions? Feel free to contact me.

Regards,

Brad

Internship Opportunity

Dot's Pretzels is looking for a summer intern for summer 2021. The intern would be working on a variety of improvement projects. The ideal candidate would be able to work out of our Edgerton, KS location. There may be projects that would require this person to also work in our Lenexa, KS plant location. He/she would also need to be available to travel to both Arizona and North Dakota to assist as needed in those locations.

Must be available to work between June 7-August 6, 2021.

*No relocation or housing assistance will be provided.

See the attachment for more information!

Interested applicants can send their resume's to kpowell@dotspretzels.com

Grad Check

**If you plan to graduate Fall 2021
and you have not had a grad check,
please set one up ASAP!**

You may set up an appointment online at <https://gradcheck.engg.ksu.edu/student/>. You may also stop by Student Services in 1093 Fiedler Hall to set up an appointment. Grad checks **will be conducted remotely and a summary report will be emailed to your K-State email account**. We are happy to help sort out any issues or questions that arise as a result of the grad check. It would be best to have your grad check done before enrolling in the Fall 2021 semester. Enrollment for the Fall 2021 semester starts March 22nd.
